**Please note that:**

Our warehouse only accepts materials on repair sent in the following way:

1. The payment of repairs not under warranty is made by bank transfer, the exact amount of which is communicated to the customer to goods ready for shipment;
2. The shipment of the goods, even if under warranty, must be made free port (transport on customer cost) and will be returned in same way. Different procedures must be agreed with the Sales office.
3. For out-of-warranty products, the repair estimate, if required, will result in a cost that will be communicated in advance.
